The Class of 1987, with great love and appreciation, dedicates this year's FOOTPRINTS to two very special people.

Ms. Eileen Capone began her career at St. Joseph's just as we did in September, 1983.

Her genuine interest, pleasant disposition, and professional attitude are attributes that we all admire.

We feel that Ms. Capone has learned with us, grown with us, and shared with us. We hope that she, too, will graduate into the hearts of others as she has into ours.

Mrs. Sherrie VanArnam was the admissions director who admitted our class into St. Joseph's. In September, 1983, she transferred to her present position as Student Activities Director.

There is no student who would feel uncomfortable going into her office to discuss a problem or just pass the time. She has always been there to listen and to help. Her door has always been open to us all.

"Sherrie" will always have a very special place in our hearts.

"Hey, maybe we should have brought dates!"

"Happy Days are here again . . ."

"You know you make me want to — SHOUT!!!"

"Have you hugged a KUMP today?"

"E = mc²"

"Who's that masked man?"

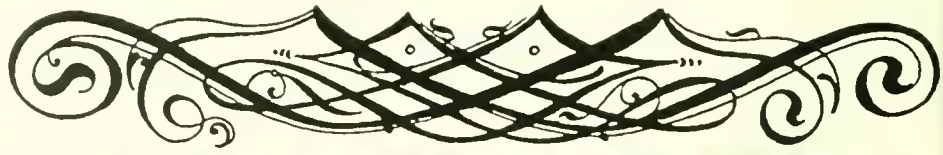

"I'm SO nervous. I'm SO happy!"

NEW BEGINNINGS

*Each chapter that is ending
Leads us to a new beginning.
The past that we are leaving
Means a future we are winning.*

*Each change that fills the present
Sets the stage for our tomorrow,
And how we meet each challenge
Helps determine joy or sorrow.*

*In every new beginning
Spirit plays a vital part.
We must approach tomorrow
With a strong and steady heart.*

*So as we turn the corner
Let all apprehension shed
And fill our hearts with confidence
As we proceed ahead.*

Bruce B. Wilmer

"Adrian"

Prayer can be a rock of strength in time of trouble.
Take time to think—
Thoughts are the source of power.*

To Our Mayra,

Congratulations! We are very proud of you. We know that it hasn't been easy for you these last four years. We have seen you come upon hard times and succeed, on many an occasion you have outdone yourself.

We hope that you continue on your present course because that only means that there will be many more accomplishments to be attained and dreams to be fulfilled.

Your future is promising and you have achieved much in the past four years to realize your destiny.

Stop it right now, Strawberry Girl.

Love,

Mom, Felix, Catalina,

Martin

Too many times too often
I thought of what I could write
Too many times too often
I love you sounded right
I thought of things all mushy
So mushy they'd make you cry
I thought of poems so gooshy
All our friends could do would be sigh
Then Clydsie, all my thoughts got hazy
I didn't know WHAT to say
 My head got lazy
 As soft as a daisy
Cause I'm Crazy in Love with you.
